

VETERINARY SURGEONS BOARD OF SOUTH AUSTRALIA

South Australian Jobs Rescue Package

More information on the South Australian Jobs Rescue Package, including the two funds, can be found at: <https://www.treasury.sa.gov.au/Growing-South-Australia/stimulus-measures-to-support-businesses-and-the-community-impacted-by-covid-19>

This page provides information on the two new funds that have been established to support business, jobs and community organisations. The top priority for the funds is the ongoing survival of entities and minimising job losses. The link for queries and submissions is provided on this page with advice that submissions should highlight the impacts of COVID-19 through loss of income and other impacts.

The State Government is also working on arrangements to support displaced workers finding alternative employment with further details to be announced soon.

Business Support

Below are some links relating to information available to help you to understand assistance measures and support you, your business and your employees:

- **Australian Tax Office**

The following link provides advice on assistance measures available and how to contact the ATO for support:

Also on this website is a link to the [My Business Health](#), a web portal designed to provide holistic support to small business owners, which now features a dedicated section for those struggling with the **COVID-19** crisis. This site has a section on managing finances and managing mental health.

The above information will be added to the PIRSA COVID-19 Primary Industries Hub over the coming days.
